

REV. J. G. DUKES

Writes: My wife has been in a very bad state of health. Nothing seemed to do her any good until she began TO USE PERUNA.

MRS. J. G. DUKES.

Rev. J. G. Dukes, Pastor of the Unitarian Church of Pinetown, N. C. writes:

"My wife has been in a very bad state of health for several years, and nothing seemed to do her any good until she began to use Peruna one month ago. Since then the color has returned to her face, and she is gaining in flesh every day, and I believe she is a well woman today."

"My little boy, ten years old, was pale and had but little life. He began to use Peruna the day his mother began. Today his face is rosy, and he is out in the yard running and jumping with the rest of the children."

Stomach Trouble Relieved.
Mrs. T. J. Ballard, Pryor Creek, Indian Territory, writes: "I am happy to tell you that I keep free from my old stomach trouble; feel no catarrhal symptoms at all. I am able to do my work, eat and drink what I want, and rejoice that I found a sure cure in your valuable medicine, which I failed to find in the best of home physicians."

STRIKE

Of Street Railway Employees
At Columbus To Occur

Unless Differences Are Adjusted By Friday

Columbus, O., April 28.—By a vote of 312 to 12 the members of the street car men's union at a meeting held early this morning decided to strike at 4 a. m. Friday unless the differences between the men and the company can be settled prior to that time. The car men declare that there has been a discrimination against members of their organization and that the street railway company has not kept faith under the recent agreement. General Manager Stewart of the railway company declares that the company has kept the agreement in every particular and that the men are now trying to get out of keeping a part of it. The present trouble centers around the reinstatement of four former employees.

A new gas well has been started on the Nelson Meyers farm, just north of Lock. Two other wells have been drilled on this farm and both have been dry holes. This well will decide the future prospect for drilling in that locality.
